Quis idoneus sit theologico studio.

Quamuis scientia diuinorum ad sa-
lutem humana[m] secundum reuelati-

quoniam talia comprehen-

voluerit, vel cognita aliis prudenter,
et solerter communicare cupierit, ut no-
ticiam Artium et Phil[osophie] possideat pri-
mum, Ideo Statutum est, ut nullus abile
se se presumat ad altiora Theologie stu-
dia et promotiones futuras, nisi prius co-
tendat se eruditum fore in Grammatica,
Logica, et Phil[osophia], siquidem debita intel-
ligentia legendorum, solerte cognicom ve-

Explicatio

statuti ad. 1740 die ad. Martii lapsi de tenta-
mine et examine subeundo per aspirantes ad
Baccalatum in S. Theol.; quod debet intelligi
de promovendis baccalariis, qui postquam subie-
runt tentamen hoc finis dies theologicas per
Decanum assignandas quæstiones, decidere magistra-
ter cogitantur, et ex illis post tempus decimo-
nigeni inchoantur examinari. Quia porro auctori-
tas in capitulo academico per plures annos
laborantes professores, qui cursus theologicos
cum publicis disputationibus exercebant,
dumtaxat excolere tentamen solebant, etiam
tam examinis disputationes per Universita-
tem assignatas peragere. Die 10. Julii Anno
